

SCHOOL DISTRICT GOALS AND OBJECTIVES

Reflected in the Hilliard City School District's Strategic Plan and Continuous Improvement Plan are the following goals and objectives:

1. to provide a staff development program and site-based plans that reinforce the District's mission and vision and develop an understanding for the need for continuous improvement;
2. to develop a compelling vision and mission of the nature of the schooling process. These shared beliefs will drive school and District policy and will be evident in school and District documents;
3. to ensure that there is a means of providing an overall picture of how quality work is created and how receptive students are to the work;
4. to encourage and enhance and facilitate on-going dialogue among schools, parents and community in order to create common understandings about what our schools are achieving along with expectations of our graduates;
5. to develop structures for participatory leadership among the Hilliard learning community;
6. to develop results-oriented management systems and quality focused decision-making processes that are consistent with the beliefs that guide the system and that ensure that the measures of quality conform with the requirements of those who provide support to students and the schools;
7. to promote the identified qualities for a successful student, especially critical thinking skills, problem-solving skills, communication skills and positive self-worth;
8. to deliver a personalized, high quality educational program with a primary focus on reading, writing, and mathematics;
9. to construct schools to meet enrollment needs, and continue the District's commitment to quality facilities and
10. to provide adequate financing to support the District's educational program and facility needs.
