

BOARD MEMBER CODE OF ETHICS

While serving as a member of my Board of Education, I accept the responsibility to improve public education. To that end I will:

remember that my first and greatest concern must be the educational welfare of all students attending the public schools;

obey the laws of Ohio and the United States;

respect the confidentiality of privileged information;

recognize that as an individual Board member I have no authority to speak or act for the Board;

work with other members to establish effective Board policies;

delegate authority for the administration of the schools to the Superintendent/CEO and staff;

encourage ongoing communications among Board members, the Board, students, staff and the community;

render all decisions based on the available facts and my independent judgment rather than succumbing to the influence of individuals or special interest groups;

make efforts to attend all Board meetings;

become informed concerning the issues to be considered at each meeting;

improve my boardmanship by studying educational issues and by participating in in-service programs;

support the employment of staff members based on qualifications and not as a result of influence;

cooperate with other Board members and administrators to establish a system of regular and impartial evaluations of all staff;

avoid conflicts of interest or the appearance thereof;

refrain from using my Board position for benefit of myself, family members or business associates;

express my personal opinions, but, once the Board has acted, accept the will of the majority;

set and enforce high, measurable standards of performance;

ensure that all students/staff exhibit appropriate knowledge of the basic skills; and

encourage and empower students/staff to be effective and informed, problem-solvers, critical thinkers, responsible decision-makers and communicators in the context of a diverse, changing global society.

NOTE: This code of Ethics has been adopted by the Ohio School Boards Association Delegate Assembly.
