

BOARD-SUPERINTENDENT RELATIONSHIP

The enactment of policies, consistent with long-term goals, is the most important function of a board and the execution of the policies should be the function of the Superintendent and staff.

Delegation by the Board of its executive powers to the Superintendent provides freedom for the Superintendent to manage the District within the Board's policies and frees the Board to devote its time to policy-making and appraisal functions.

The Board holds the Superintendent responsible for the administration of its policies, the execution of Board decisions, the operation of the internal machinery designed to serve the District program and keeping the Board informed about District operations and problems.

The Board strives to procure the best professional leader available as its Superintendent. The Board, as a whole and as individual members, will:

1. give the Superintendent full administrative authority for properly discharging his/her professional duties, holding him/her responsible for acceptable results;
2. act in matters of employment or dismissal of personnel after receiving the recommendations of the Superintendent;
3. hold all meetings of the Board in the presence of the Superintendent, except when matters such as the Superintendent's contract and/or salary are under consideration;
4. refer all complaints to the Superintendent for appropriate investigation and action;
5. strive to provide adequate safeguards for the Superintendent and other staff members so that they can discharge their educational functions on a thoroughly professional basis and
6. present personal criticisms of any employee directly to the Superintendent.
