

## POLICY DISSEMINATION

The Superintendent is directed to establish and maintain an orderly plan for preserving and making accessible the policies adopted by the Board and the regulations needed to put them into effect. Accessibility is to extend to all members of the school community. A policy concerning a particular group or groups in the District is distributed to those groups prior to the policy's effective date.

Distributed policy manuals remain the property of the Board and are considered as "on loan" to anyone, or any organization, in whose possession they might be at any time. Manuals are subject to recall at any time deemed necessary for purposes of updating.

The Board's policy manual is considered a public record and is open for inspection in a location designated by the Board.
