

POLICY IMPLEMENTATION

The Superintendent is responsible for carrying out, through regulations, the policies established by the Board. It is expected that all Board employees and students follow all Board policies and regulations.

There are many activities which are common to all schools, but procedures for conducting them may vary from building to building. Principals establish procedures for conducting activities in their individual schools within the larger framework of District regulations and Board policies.

The Board delegates to the Superintendent the function of specifying required actions and designing the detailed arrangements under which the schools operate. These regulations and detailed arrangements constitute the regulations governing the school. They must be consistent with the policies adopted by the Board.

The Superintendent devises a means for disseminating particular regulations, prior to their effective dates, to the staff members, students and/or members of the public who are directly affected by them.
