

ANNUAL BUDGET AND APPROPRIATIONS MEASURE/
BUDGET MODIFICATION AUTHORITY

Budget

The purpose of the annual tax budget is to identify adequate financial resources for the education program and to provide a basis for accountability in fiscal management. The District budget is also the legal basis for the establishment of tax rates.

The annual tax budget is regulated and controlled by State law and requirements of the county budget commission. The Board may establish additional budget requirements for funds at its disposal.

The Treasurer, Superintendent and their staffs are responsible for the preparation of the annual budget and presentation of the budget to the Board for adoption.

Appropriations

As permitted by law, at the start of the fiscal year, the Board may pass a temporary appropriations measure to provide for meeting the ordinary expenses of the District until such time as the Board approves the annual appropriations resolution for the year, which is not later than October 1. If by October 1 the county budget commission has not certified all amended certificates of estimated resources to the Board of Education (or submitted a certification that no amended certificates are necessary), the Board can delay action on the annual appropriation measure until such time as the certificates are received.

The Treasurer files both the temporary and final appropriations measures at the proper times with the office of the County Auditor.

The Superintendent/designee notifies each school administrator and/or department head of the allocations approved for expenditure.

Budget Modification

Modification of funds between line item appropriations within each major fund and any transfers permitted by law from major fund to major fund require Board approval.

Transfers Among Categories

During the final quarter of the fiscal year, appropriations categories are examined, and the year-end status of each is estimated. Before the close of the fiscal year, the Board authorizes the Treasurer to transfer monies from those categories in which a surplus is anticipated into those in which a deficit is anticipated as permitted by State or Federal statutes.

Transfers among funds as permitted by statutes require Board action and may require approval from the Court of Common Pleas and the Tax Commissioner.

It is the responsibility of the Superintendent and the Treasurer to examine the appropriations categories and make the necessary recommendations to the Board.
