

VENDORS
(Beginning Band/Orchestra Instruments)

The choice of a musical instrument vendor for beginning band/orchestra students shall be determined by the high school band/orchestra staff. Any retail musical instrument vendor shall be entitled to consideration as the vendor of choice. Vendors who wish to make a presentation to our students and their parents regarding the rental program shall, upon request, be given the criteria for determining the vendor of choice. All band/orchestra and orchestra instruments, services and materials need to be pre-approved by the current Hilliard Band/Orchestra & Orchestra staff, and approved in writing by the Music Supervisor/Superintendent designee in order for rental materials to be distributed at Hilliard events.

Students enrolling in the beginning band/orchestra program shall have complete freedom of choice concerning their instrument acquisition and shall not be required to use the services of the chosen company in order to participate in the beginning band/orchestra program.
