

SUPPORT SERVICES GOALS

Support services are essential to the educational program. The Board serves as trustee of District facilities and overseer of school operations for the purpose of providing the facilities and services which support a thorough and efficient educational program.

In order to provide support services that are supportive of the educational program, the Board develops goals which will support the overall educational program. The goals of the support services program include:

1. a safe and pleasant physical environment for teaching and learning for the school community through the continual evaluation of the facilities;
2. a transportation program for the safe transporting of students to and from school;
3. a food services program which supports the nutrition programs through participation in the National Child Nutrition Programs and
4. a safety program which evaluates personnel, buildings, vehicles, equipment and supplies to maintain a safe environment and to minimize the effects of a disaster.
