

STUDENT CONDUCT ON SCHOOL BUSES

The Board furnishes transportation in compliance with Ohio law. This fact does not relieve parents of students from the responsibility of supervision until such time as the student boards the bus and after the student leaves the bus at the end of the school day.

Students on a bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Disorderly conduct or refusal to submit to the authority of the driver is sufficient reason for refusing transportation services or suspending transportation services to any student once proper due process procedures are followed.

ORC 3327.014 requires the Board of Education to identify in its policy the “period of time” for suspension of school bus riding privileges not to exceed one school year.

The Board’s policy regarding bus riding privileges must be posted in a central location and made available to students upon request.

After Board approval, regulations regarding conduct on school buses, as well as general information about the school transportation program, are available to all parents and students.
