3. The drivers of the buses must possess valid commercial drivers' licenses as required by law.
4. The drivers of the buses ensure that the buses are not overloaded, that students conduct themselves in a safe and orderly manner while in the buses and that the buses are operated in a safe and lawful manner.
5. The drivers of the buses are responsible for reporting in writing to the transportation office the condition of buses, particularly any need for repair or servicing.

### Approved Non-Routine Use of School Buses

The "non-routine use of school buses" is defined as transportation of passengers for purposes other than regularly scheduled routes to and from school. School buses may be used for non-routine trips only when the trips don't interfere with routine transportation services, such as:

A "school-sponsored event" is defined as any activity in which students are participating and are under the direct supervision and control of a professional staff member or any advisor as designated by the Superintendent;
3. transporting of students taking part in summer recreation programs when such programs are sponsored by a recreation commission and there is an agreement between the Board and the recreation commission;
4. trips for transportation of the aged when contracted with a municipal corporation or a public or nonprofit private agency or organization delivering services to the aged;

5. trips for transportation of students and/or adults as approved by the Board to and from events within the local community which are school or local community sponsored (such events are open to the public);
