

CONSTRUCTION CONTRACTS BIDDING AND AWARDS

Upon the approval of working drawings and specifications by the Board and State agencies, the Board solicits bids to be submitted at the office of the Board on or before a specified time. Each bid is accompanied by either a bond for the full amount of the bid or a cashier's check or letter of credit equal to 10 percent of the total bid. The advertisement states that the Board reserves the right to reject any or all bids and to re-advertise the project, if necessary.

The architect or authorized individual takes the responsibility for preparing the advertisements, bid forms, bid bond forms, performance and payment bonds and forms of agreement between the Board and the successful bidder(s). Upon receipt of bids, they are opened publicly and entered into the minutes of the Board. The architect or other authorized individual assists the Board and District personnel in analyzing the bids. The Board attorney or other authorized individual's advice on awarding the contract is of particular value with respect to legal aspects of the contract provisions regulating alterations, extras, nonperformance, damages and security bonds.

School districts are exempt from paying prevailing wage rates on construction work.
