

BOARD-STAFF COMMUNICATIONS

The Board wishes to maintain open channels of communication with the staff. The basic line of communication is through the Superintendent. Staff members should utilize the Superintendent to communicate to the Board or its subcommittees, while recognizing that Board meetings are public meetings and that employees, if members of the community, can participate in Board deliberations.

Accordingly, all official communications, policies and directives of staff interest and concern are communicated to staff members through the Superintendent. The Superintendent develops appropriate methods to keep staff members informed of the Board's issues, concerns and actions.

Board members must recognize that their presence in school buildings could be subject to a variety of interpretations by school employees. If a visit to a school or classroom is being made for other than general interest (i.e., for a specific or official purpose), Board members shall inform the Superintendent of such visit and make arrangements for visitations through the principals of the various schools. Board members will indicate to the principal the reason(s) for the visit. Official visits by Board members are carried out only under Board authorization.
