

## SMOKING ON DISTRICT PROPERTY BY STAFF MEMBERS

The Board is dedicated to providing a healthy, comfortable and productive environment for its staff, students and citizens. Health professionals have determined that smoking poses health hazards not only for the smoker, but for the nonsmoker as well.

Recognizing these health issues, the Board prohibits smoking in all District-owned, leased or contracted buildings and vehicles. The Board may designate legally compliant outdoor smoking areas.

The Board directs the Superintendent to educate all staff members concerning the mandate of this policy, as well as implementing, as appropriate, educational programming concerning smoking and, if needed, resources available to those who wish to discontinue their smoking habit.

A notice to this effect is posted at the entrance to all school buildings and in a visible place in all school vehicles.
