

PROFESSIONAL AND CERTIFICATED STAFF CONTRACTS
AND COMPENSATION PLANS
(Administrators)

Fair compensation plans are necessary in order to attract and hold highly qualified administrators to provide and manage a quality educational program.

The Board may establish a salary schedule for its administrators, with the exception that the salary of the Superintendent is usually determined by the employee contract. Notice of annual salary is given to each administrator by July 1.

All administrators shall be issued written limited contracts. The contract specifies the administrative position and duties, the salary and other compensation to be paid for performance of such duties, the number of days to be worked, the number of days of vacation leave and any paid holidays in the contractual year.

The term of the administrator's contract will not exceed three years, except that an individual who has been employed as an administrator for three years or more shall be entitled to receive a contract of not fewer than two nor more than five years. The Superintendent may recommend employment of an individual who has served as an administrator in the District for three years or more under a one-year administrative contract once during such individual's administrative career in the District.

An administrator who has earned teacher tenure in the District retains such status while serving as administrator. Any administrator who previously obtained teacher tenure in another district achieves teacher tenure in the District after re-employment with two or more years' experience as an administrator in the District.

The Superintendent's recommendation is considered in all contract renewals. All administrators are evaluated annually. In the year an administrator's contract does not expire, the evaluation is completed by July 31 and a copy is given to the administrator. In the year an administrator's contract does expire, two evaluations are completed: one preliminary and one final. The preliminary evaluation is conducted at least 60 days prior to March 31 and prior to any Board action on the employee's contract.

The final evaluation includes the Superintendent's intended recommendation for the contract of the employee. A written copy of the final evaluation must be provided to the employee at least five days prior to the Board's action to renew or nonrenew the employee's contract.

Before March 31, any administrator whose contract expires at the end of the school year is notified by the Board of the date on which the contract expires and of the individual's right to request a meeting with the Board in executive session to discuss the reasons for considering renewal or nonrenewal of his/her contract. Also prior to March 31 of the year in which the contract of employment expires, any administrator whom the Board intends to nonrenew receives written notification of the Board's intent not to re-employ.

The Board may request an alternative administrative license valid for employing a superintendent or any other administrator, consistent with State law.
