

NEGOTIATIONS

The Board is governed by Ohio law regarding collective bargaining with its certified employee bargaining units (recognized by the State Employee Relations Board) for the purpose of entering into binding contracts. The scope of bargaining includes matters pertaining to wages, hours, terms, other conditions of employment and the continuation, modification or deletion of an existing provision of a collective bargaining agreement.

The Board negotiates in good faith with the District's certified bargaining units and endeavors to reach agreement on items properly within the scope of bargaining.
