

SCHOOL YEAR/SCHOOL CALENDAR

The school calendar for the following school year is prepared by the Superintendent and presented to the Board for approval in the spring of each year. The number of days scheduled for students meets or exceeds the requirements of State law.

The calendar sets forth the days schools are in session, holidays, vacation periods, in-service training days, teacher orientation days and days of reports to parents.

In preparing the calendar, the Superintendent consults with other administrators in districts in the geographical area. He/She may provide opportunities for members of the staff to offer suggestions before recommending a calendar to the Board for final consideration and adoption.

Activities listed on the official activities calendar are the only officially approved activities sanctioned by principals, the Superintendent and the Board. Activities which are not on this calendar and are omitted through oversight, lack of advanced planning by staff, athletic leagues or other outside groups, or for some other acceptable reason, may be added. Such requests must be approved by the Superintendent.
