

INTRADISTRICT OPEN ENROLLMENT

The Board determines attendance areas for schools within the District. Generally students will attend the school to which they are assigned according to their attendance area. Exceptions will be granted based on criteria established by the school administration. The specific criteria shall be consistent with Ohio Revised Code and will generally include:

1. Application procedures, including deadlines for application and for notification to students and principals of alternative schools whenever a student's application is accepted or rejected. Only students wishing to attend another school need apply.
2. Procedures for admitting applicants to other schools include but are not limited to:
 - A requiring that students enrolled in a school building or living in the attendance area are of the school building established by the Board be given preference over applicant and
 - B. ensuring that an appropriate racial balance among schools within the District is maintained.
3. Students may be rejected for disciplinary reasons only if they have been suspended or expelled for 10 consecutive days in the current semester or the immediately preceding semester.
4. The final decision for all intradistrict enrollment requests and reassignments for other educational reasons rests with the Superintendent.
