

STUDENT WITHDRAWAL FROM SCHOOL  
(Loss of Driving Privileges)

When the Superintendent/designee receives information that a student of compulsory school age has withdrawn from school, the Superintendent/designee must, within two weeks after the withdrawal, notify the Registrar of Motor Vehicles and the county juvenile judge. Notification is not necessary if a student has withdrawn because of a change of residence; the student is enrolled in and attending, in accordance with District policy, an approved program to obtain a diploma or its equivalent or if the student holds a full-time Age and Schooling Certificate (otherwise known as a work permit) and is regularly employed.

Notification to the Registrar of Motor Vehicles and the county juvenile judge must comply with State and Federal laws.

After receiving such information from the Superintendent/designee, the Registrar of Motor Vehicles is required to suspend the temporary instruction permit or driver's license of the student who is the subject of the notice. If a temporary permit or license has not been issued to that student, the Registrar is prohibited from issuing a temporary permit or a license. Any denial of driving privileges would remain in effect until the student reaches 18 or until the denial of driving privileges is terminated for another reason allowable under State law.

In compliance with State law, a student whose driving privileges have been denied can file a petition seeking his/her reinstatement with the juvenile court in whose jurisdiction he/she resides.

Any student who moves from the District or is issued a full-time working permit, or who is expelled by the action of the Superintendent/designee or the Board or who legally stops attending school for any reason, shall be considered withdrawn from school.

Upon withdrawal, any student who is not under monetary obligation to the school shall be furnished a report card or other evidence of grade placement.
