

COOPERATIVE EDUCATIONAL PROGRAMS

Joint Vocational School District

State law permits the establishment of joint vocational districts to provide vocational programs for students from participating districts. This District participates in programs conducted under the auspices of the Central Ohio Joint Vocational School District.

The joint vocational school district is governed by a board of education composed of representatives from each of the city and county boards of education of the participating districts. The term of office for each member of the board of the joint vocational district is for two years. The Board's representative shall be elected by the Board.

The Board also participates in various programs of the Franklin County Educational Service Center.

Metropolitan Educational Council

The council assists member districts in providing improved and expanded services to students through cooperative efforts in the areas of purchasing, collective bargaining, regional planning, special education and through the exchange of ideas. The Board shall annually consider renewal of its membership in the council.
