**MISSION:** The purpose of the Hilliard Darby High School Gridiron Club is to provide the necessary support to build and maintain a successful football program. The Gridiron Club is a group of parents and other individuals interested in providing positive support, whether its' financial support, contribution of personal volunteer time, or a combination of both to help the Hilliard Darby Football Program.

Many people don't realize that the money set aside for the football team from the Darby High School Athletic Department and it's athletic booster organization cannot provide nearly the amount that it actually costs to field a competitive team when compared to rival teams.

Contributions from the Hilliard Darby Gridiron Club help purchase needed football equipment, warm-up outfits, computer programs for coaches, hand sanitizers, meals for Varsity team before games, ability to capture video footage to make DVD's for the seniors, special senior night, and **SO MUCH MORE!!!**

Thanks to the generous parent volunteers, fundraising donors, plus the hard work of the young men who represent the Panthers! The Darby football program has established itself as a power to be reckoned with, and the future appears bright with the continued support of **YOUR HELP!**
