Halloween Social at The Heritage

The Halloween Social is on Friday, October 23rd! We need lots of parent volunteers to help decorate our famous "Haunted Hallway" as well as chaperons for this spooktacular event! Please join us for a planning meeting at Heritage on Tuesday, October 13th at 7:00 PM.

Media Center News

The first overdue notices of the school year were sent out Friday morning to both parents and students. Three of the email notices did not go through. Each parent address was verified to be accurate so we think the email somehow got marked as "junk" or "spam". The sender name would have been: joy_miller@hboe.org. Please check to be sure there are no filters in place that might prevent you from receiving emails from Miss Miller. Overdue notices will be sent out every other Friday. Thank you!

District News

Why Educators Must Embrace a Passion for Growth

Our schools are more than just learning factories, they are better than ever before. In this week's [Get Connected Blog](#) Superintendent John Marschhausen explains why we must continue to grow and get better. It can no longer be done the way it always has been done. You can read his thoughts in the [Get Connected Blog](#).

Check Student Interim Grades Anytime

Parents of students in grades 6-12 are able to access student grades through the [Home Access Center](#) anytime day or night. Our teachers post grades in real time to give you the most current and pertinent information on your child's academic progress. Beginning this year there will be no official interim report cards sent to parents. You can get to the [Home Access Center here](#). Parent questions regarding grades should be directed to your child's teacher and/or guidance counselor.

Meet the School Board Candidates

The [ISPTO](#) will be hosting a meet the school board candidates night on October 20th at 7:00 pm at Bradley High School. This is open to the whole community so please share this information with friends and neighbors.

Community Cardboard Challenge

Hilliard City Schools have been selected by the Columbus Museum of Art and the Imagination Foundation as a site to host a COMMUNITY CARDBOARD CHALLENGE on OCTOBER 10TH from 9:00-Noon. Several of our elementary schools are participating in this event. The Community Cardboard Challenge was inspired by Caine's Arcade; you can [watch this video](#) to learn more. Our Community Cardboard Challenge will take place at Heritage Middle School. All supplies will be provided and students can take home what they make. We do hope you will be able to join us for this fantastic family event!
