Update from Ms. Gibson

8th Grade Real World, Real Money: If you have volunteered to help with this event please plan to arrive on May 20th at 7:10am. We will meet in the gymnasium. Thanks to all who volunteered to help.

Washington DC Trip: Parent Meeting scheduled for May 13th at 7:00pm. We will have this meeting immediately after the One2One initiative meeting. Looking forward to seeing you there! Students are encouraged to attend as well.

Parent One2One Meeting

We are excited to share with you that in August 2015 all middle school students will receive an iPad device to personalize their education. We understand that you and your student will have many questions as we travel along this journey. We hope that you will join us for one of three upcoming informational sessions about this initiative. We ask that all incoming 6th and 8th grade parents for the 2015 - 2016 school year join us for **one** of the following One2One informational meetings starting at 6:30pm.

Tuesday, May 12 @ Memorial Middle School, 5600 Scioto Darby Rd.

Wednesday, May 13 @ Heritage Middle School, 5670 Scioto Darby Rd.

Thursday, May 14 @ Weaver Middle School, 4600 Avery Rd.

All parents of incoming 6th, 7th and 8th grade students for the 2015-2016 school year must then bring their child to one of the iPad Rollout Events on either August 12th or 13th at Darby High School. This is when your child will receive the iPad mini. Attendance of both the parent/guardian and the student at one of these meetings is required in order for a student to receive the device.

Dress Code Reminders

Just a reminder as the weather becomes warmer to please abide by the dress code. The school dress code can be found in the student handbook on page 76.

2014-2015 Final Exams

Final Exams are an important part of our assessment plan, particularly in our courses that award high school credit. We will be having our final exams soon. During the days of exams, HMS will operate on a regular bell schedule. Exams will be given over a 2-day period. Not all classes will be giving exams, but the exams that are given will be given during the designated exam time on the schedule. We feel this schedule allows for the appropriate amount of time for students to complete exams, while allowing the other classes to meet without interruption during those days. Attendance needs to be a priority as the end of the semester projects and assessments are given. If you have specific questions regarding exams, please contact your child's classroom teacher or guidance counselor.

The Hilliard Way Video Series

It's no secret that excellent schools attract quality businesses to a community. They also help maintain strong property values. In this video we hear from a local realtor and community member talk about how strong our housing market is, thanks in part to the strong schools. You can see this Hilliard Way video and the others in [the series here](#).

Hilliard Education Foundation Logo Contest

Design a new logo for the Hilliard Education Foundation and you could win \$150! They are looking for a new, creative and innovative logo. Submissions must be received by Friday, May 15th. [Click here for guidelines and submission instructions](#).

This Week's Online Flyers

Be sure to check out this week's [Flyer Connection](#) page. There is information on summer sports camps, summer library programs and summer art workshops. In an effort to reduce clutter from our students' backpacks, we are asking parents to [click here](#) on a regular basis.
