Road Construction Update

As the City of Hilliard embarks on road construction near several of our schools along Scioto Darby and Leppert Roads, we want to share as much information as we can. Right now, you can access project information on the City's web page or by [accessing our web page](#). There are interactive maps and an option for email alerts. We want to keep our students and families safe throughout this construction season.

8th Grade End of the Year Event

The Hilliard Pool can no longer accommodate the Middle Schools having their end of the year celebration with them. Unfortunately, that means we need to cancel the 8th grade pool party. We have been looking for alternative options for our students and will have two GREAT choices for our students. The first option is to go to TEN PIN Alley. They have graciously offered Bowling, Laser Tag, Gaming, and 2 pieces of Pizza for 20\$ per student. We will also be offering a fun and FREE option for students. We will have Music, Games, and other activities behind the school at the same time. We apologize for the loss of a great tradition here at THE Heritage, but the choice to cancel was not ours. Permission slips are available at lunch. Thank you for your understanding.

Media Center Info

Battle of the Books: With a little over three weeks left before our competition, we are down to our last book. The students are finding it harder to answer questions since they now have 15 titles from which to choose. Overall, our two teams are very competitive and will no doubt make a run for the top prize. Bravo to all our members: eighth graders Allison Palovchik, Hannah DePue, Caleb Mann, Shane Tipton, Andrew Bowlby, Max Hollenbaugh, Rhea Supekor, Lexie Miller and seventh graders Evan Vulic, Ellie Opalek and Molly Nixon.

If this sounds like something that would interest your child, I would recommend that you register your child sooner rather than later.
