A message from Mr. Josh Bope, Heritage teacher and Darby Football coach, on a great opportunity!

The Darby Football Booster is selling the game-worn light blue jerseys. Relive your glory days or simply own a piece of Darby Football history for \$40. These were the first ever blue jerseys in program history and we went UNDEFEATED in them!

Just send an e-mail to Mr. Bope with the number you'd like and he will let you know if it's available. Send the money to school with your child and the jersey will be waiting for them.

OR

Mr. Bope will also be selling them at lunch during the final week of school. Have your child pick a number or choose from the various jerseys available during lunch and go home with it that day! It's that simple!

These will be great to wear on Friday during football season or on Spirit Days. **DON'T MISS OUT!** These are very rare! **Sales are opening up to both Darby and Heritage students! Act fast!**

Cash or check is accepted. Make checks out to the GRIDIRON CLUB.

Thanks & GO PANTHERS!

Mr. Josh Bope

Gifted Changes for 2017/18

In Hilliard, we pride ourselves on providing a personalized learning experience for every student. In 2015, we determined that an audit of our gifted services and policies was in order. A Gifted Task Force was convened in the fall of 2015 that was composed of parents of gifted students, classroom and gifted teachers, administrators from all levels, the school board, and other school staff. The task force's purpose was to gather fiscally responsible best-practice findings for gifted education delivery models. You can [read more about the exciting changes coming next school year here](#).
