

2016-17 Educators of Excellence Award Criteria and Rules

Criteria for the Award

The Hilliard High School Alumni Association has established the Educators of Excellence Award as a way of recognizing educators who have made a difference in the lives of Alumni and/or current students in the Hilliard City School District. The Award is given annually to one educator from each school building in the district who exemplifies a commitment to excellence in education. Educators who work in multiple buildings are eligible for nomination. Each Educator of Excellence must demonstrate this commitment to excellence both to the students and in their respective subject areas.

The children of this school district cannot expect to obtain the best education possible without educators who are committed to excellence.

From this group of select Educators of Excellence, the Association will designate one Educator of the Year.

The final selection of the Educators of Excellence who best exemplify these qualities shall be made by the Trustees of the Hilliard High School Alumni Association, Inc. or a committee selected by such Trustees in their sole discretion. For more information about the **Educators of Excellence Award** or how you can become involved with the activities of the Alumni Association, please contact Vivian Brown at vbrown38@columbus.rr.com or (614) 878-8996.

Sponsors are welcome.
