Each Student/Parent was given HAC account information at the beginning of the school year. If you do not know your username and password, please speak with one of our secretaries in the office.

Enter your username and password here. Then press Log In.

You will see a lot of information on this page. You can see your child's daily schedule as well as any assignments that have been entered by the teachers but have not been scored. To see your child's grades in each class, click the **CLASSWORK** link on the left side of the page.

\*One thing to remember is that there might be an assignment in your child's assignment log that is not showing up yet on HAC. This is because the teacher may not have published the assignment or score yet.\*
