

Academic Help Zone

Start date is Monday, September 11, 2017.

Does your child need help completing homework and/or organizing school work?

Could your child benefit from a place to use computers for school assignments, to study for quizzes and tests, or to practice reading/math skills? Maybe your child simply needs a quiet place to read.

Has your child been absent and needs time and assistance to complete missed assignments?

Wouldn't it be nice if your child could complete homework before going home?

Memorial offers Academic Help Zone every Monday and Thursday from 2:50 to 3:50 in Room 25.* Teachers are available to assist students with study skills or to answer questions about their assignments. Students who do not have specific homework can read or reinforce academic skills through various means such as peer tutoring, Study Island, Moby Math, targeted skill review, etc.

Please contact [Lori Dhiraprasiddhi@hboe.org](mailto:Lori_Dhiraprasiddhi@hboe.org), or [Beth Johnston@hboe.org](mailto:Beth_Johnston@hboe.org) if you have any questions.

*Advanced notice will be given if cancelled.

You will need to arrange for transportation home at 3:50. Please let us know if transportation is an issue.
