Exceptional Children in spotlight

(Hilliard City Schools, Hilliard, Ohio) – Hilliard City Schools will participate in a variety of activities to celebrate Exceptional Children's Month.

Nationally, May is designated as Exceptional Children's Month to promote disability awareness.

Locally:

- A myriad of activities will occur in each of our district's special needs' classrooms throughout the month. Each teacher/tutor will choose for himself/herself how to best acknowledge the month.
- The Board of Education will proclaim May as Exceptional Children's Month during its April 13th meeting Tolles Technical School.
- All of the month's activities will culminate with a Dessert Reception at 6:30 p.m. at Hilliard Darby High School on May 4. Awards will be given to a number of valuable people who are deserving of special recognition as a result of their exemplary contribution to Hilliard's students with special needs.
- Mayor Don Schonhardt will formally proclaim the month of May as "Exceptional Children's Month."

Everyone is welcome to help celebrate the families, staff, and personnel who support the children with special needs in the district.

For more information about specific activities in classrooms or the district, please call Michelle Wray, 921-7052, or Director of Pupil Services Nancy Schott, 771-4273.
