Avery Elementary fifth-graders look out for others

(Hilliard City Schools, Hilliard, Ohio) – Two youngsters at Avery Elementary lead the way in looking both ways before crossing the street.

Fifth-graders Bobby Hardy and Tyler Humphrey were two of just six students recently inducted into the AAA Ohio Auto Club Safety Patrol Hall of Fame. They were chosen among 10,000 School Safety Patrol members, teacher Marilyn Hausler, who nominated the boys, said.

The AAA website says this school year marks the 85th anniversary of the School Safety Patrol program, which was established in 1920. Millions of young people across the United States and 30 other nations worldwide volunteer their time to help ensure the safety of fellow classmates traveling to and from school, and to serve as role models for younger students. AAA Ohio has an annual enrollment of over 10,000 School Safety Patrol team members.

For more information about Bobby and Tyler, call Principal Steve Beale, 771-2250.
