High school students recognized for contributions

(Hilliard City School District, Hilliard, Ohio) – Three girls are being recognized this month for their outstanding contributions to their schools and community.

Katrina Caldwell, a senior at Hilliard Davidson High School, and Alyssa Studer, a senior at Hilliard Darby High School, have been nominated by their schools to Zonta International. The Zonta Club of Columbus, part of an international service organization of executives in business and the professions, promotes and encourages young women in central Ohio to aspire to leadership positions in careers of their choice.

Katrina and Alyssa's applications will be reviewed by the Zonta Club for consideration to be named as recipients of the Outstanding Young Women Award. Just 12 awards will be given in the region.

Also at Hilliard Darby, Sarah Manos, a junior, has been selected for her accomplishments to be a representative to the Bright Futures Program of the YWCA. The program recognizes 11th-grade girls who have had a significant effect on others at their school and in the community. As a participant in the program, Sarah will attend three leadership conferences and be honored at the YWCA Women of Achievement annual luncheon. She will also have the opportunity to apply for a scholarship through her participation.

To learn more about Sarah, Katrina and Alyssa and their involvement in their schools and community, please call the guidance counselors at the respective schools: Susan Schulman at Hilliard Davidson, 771-2299, and Eric Cable at Hilliard Darby, 527-4205.
