Golf Outing History

The Hilliard Schools Administrators' Golf Outing raises funds to support scholarships for graduating seniors who are pursuing a degree in education, while promoting fellowship among school district administrators, teachers, business leaders and community members. Since the outing began in 2002, over \$33,000 has been raised and awarded to students from Hilliard Davidson and Hilliard Darby High Schools. Annually, three scholarships are awarded to students from each high school, ranging from \$500 to \$1500.
