Dear Parents/Guardians,

Hilliard City Schools is proud to offer summer school classes for Middle School Students. Our Coalition based program is designed to enable students to obtain academic success in their classes and on state required tests.

This program is for students who are currently in the 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade who have failed two or more core academic classes, as well as students who have scored below proficient on achievement or proficiency tests and wish to polish their testing taking skills.

Current 6<sup>th</sup> grade students will take language arts and math. Current 7<sup>th</sup> and 8<sup>th</sup> grade students will take a rotation of the three academic core classes of language arts, math, and science each day. This will enable students to improve skills in all state-tested academic areas.

Letter grades of A, B, C, D, and F will be given. All school policies regarding students' conduct (discipline) will apply during summer school. Serious problems will result in withdrawal without a refund. No refunds will be given after classes begin.
