

WELCOME TO THE SEEKER LEARNING COMMUNITY

Mrs. Sharlene Shell, 2nd Grade-I am so blessed to be a part of the Seeker Community at Scioto Darby. My husband and I have a two-year old Chocolate Lab named Fenway and we live in Galloway, OH. I love to travel, go the beach, go to movies, and relax in my backyard with my dog. The students and staff at SDE truly inspire me to work hard and be the best teacher I can be. The saying is true... Do what you love and you will never work a day in your life!

Mrs. Stephanie Boyers, 3rd Grade- I love teaching reading & science. I believe in providing students with “voice & choice” in our classroom. Students have freedom and responsibility in class. We follow two classroom rules: HONESTY & SAFETY. I have a wonderful rocks and minerals collection in our room and often have some insects as well for the kids to observe. We have a classroom pet named Harvey. He is an Eastern Box Turtle. Sometimes he joins us for outdoor recess in nice weather and roams the classroom at times too. One of Harvey’s favorite foods is corn on the cob! I’m looking forward to another year in third grade working with the Seeker Community.

Mrs. Kathryn Ehle, 4th Grade- I love singing, playing the piano, gardening, jigsaw puzzles, and reading. I am a member of the Columbus Symphony Choir, and I frequently bring music into our classroom activities. My husband, David, works at the Ohio Department of Education. We have two children that also attend Hilliard schools: Zachary (born in 2005) and Jessa (2009). We all love cats, and have one named Sweetie and one named Hunter. I graduated from Hiram College in 1991 with a double major in music education and elementary education. I earned a Master's degree from The Ohio State University in 2002. I taught music for 5 years, including middle school choir & elementary music, before moving into regular education. I enjoyed 3 years teaching 5th grade and then came to Scioto Darby to teach 4th grade in 1999. I absolutely LOVE working with this age group! We have lots of fun learning together. I am excited to be organized into Learning Communities because it allows us to provide a more personalized experience for students. I can get to know students within the community before they reach my 4th grade, and the students get to mix with other children within our community for fun and academic activities.

Ms. Kelly Gorby, 5th Grade-I love my community! We are **one** part of **four** that make up this amazing school! I’ve been teaching for 26 years and have been at SDE since 2004. I’ve taught every grade except for K, 7th, and 8th. I am a Mom of 6 and ‘Nana’ of one 4 yr old grandson, and soon to be two more babies (June and September). My heart belongs to kids for sure! Aside from family and school, beaches, gardens, books, cooking, and sports are my other loves. I am currently working on my overall wellness and personal fitness goals. Wish me strength and perseverance over the summer! *“The great thing in this world is not so much where we are, but in what direction we are moving.”*
Oliver Wendell Holmes

Welcome to the Seekers Community! We are the Purple People here at Scioto Darby :) We learn, question, and explore together. With each year of school, we work towards creating learning environments that empower every student to take charge of his/her own learning, alongside teachers and peers. We can't wait for you to join us in our learning journey! WELCOME!

We welcome parents as our partners in the SEEKER community!
Come on in and share your expertise.
