# What's Trending

(By: Fiorella Lalama)

Hello, Welcome to your weekly article of “What’s Trending”! This past weekend, history was made at the New York City Marathon. On Sunday, Shalane Flanagan (36-year-old American long-distance runner) became the first American woman to win the race in 40 years with her time as 2 hours, 26 minutes and 53 seconds and took the women's title, while Geoffrey Kamworor of Kenya took the men’s side with his time of 2 hours, 10 minutes and 53 seconds. Everyone is so proud of her. Shalane is a great role model for all women.

Congrats!!
