The Board of Education of the Hilliard City School District encourages and appreciates citizen interest in meetings of the board. Persons wishing to address the board should make written requests in advance of the meeting or complete the Visitor Form found where the agenda materials are located. When called, each speaker is asked to address the board at the microphone so that remarks may be clearly heard and recorded. The speaker should give his or her name and address and limit comments to three minutes.

Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. It should be noted that this section of the agenda is to hear the views of citizens about their schools. No board member has the power or authority to act for the board; therefore, no response from an

individual board member should be interpreted as an official action of the board. Portions of the board meeting are being audio taped.
