- Art appreciation
- Problem solving skills
- Ability to make aesthetic judgments
- New friends
- .. and much more!

Why Columbus Music and Art Academy?

Our mission is to empower children through high quality music and art education. We offer a unique art curriculum with a focus on drawing and painting. Each child receives personal attention from the art instructor. At the conclusion of the school year, students present their work at our annual Art Exhibition. CMA Academy also offers choir and music theory classes.
