## Ohio Craft Museum

Morning 9:30am-12:30pm or Afternoon 1:30-4:30pm

In this half-day workshop, children will create two projects suitable for gift-giving using a variety of materials, complete with gift wrapping. What are they making? Well, that's a surprise! The same projects will be created at all 4 half-day sessions. A light snack will be provided. This half-day workshop is for young artists in grades 1-6 (children must have completed kindergarten and be at least 6 yrs old.
