*We are a group of undergraduate students at The Ohio State University and we are passionate about health for children. We would like to give back to the community by leading 1<sup>st</sup> -5<sup>th</sup> grade students in the Columbus area in a **FREE**, social, and fun running club. At the end of our fall season, we will have a Halloween race where the kids are welcome to wear their Halloween costume and practice everything they have learned throughout the season. We hope to see everyone there! Feel free to contact us with any questions!*
