

- This cancer is increasing in those born after 1990. Our dear son, born in 1993 passed away Sept, 2016 as he was battling this cancer. He was diagnosed Feb. 2016. More needs to be done to save lives.
- We need to continue to educate providers and medical professionals that CRC is on the rise in the under 50 population.
- This is an educational day for the community as well as a day of support and hope for all cancer patients, their friends, and families.
- We gather to remember, to give hope, to find strength. Please join us
- This is a day to promote a healthy lifestyle by giving people an opportunity to run and walk for a worthwhile cause.

Days events include speakers, info tables, mascots, silent auction and raffle. And more...

This year's 5k Run/1 mile Walk will be held at Upper Arlington High School at 11:00 AM.

Pre-race activities will begin at 10:30 AM.

Registration will be \$25 for the 5k up until one week before the event. At this point, 5k ticket costs will increase to \$30.

For the 1 mile walk, registration will be \$15 until one week before the event. At this point, 1 mile walk ticket costs will increase to \$20.

Join us as we race to beat colon cancer - don't get left behind!

Please register by October 31, 2017 to ensure t-shirt size.
