

Learn to play the fastest growing sport in the country!!

The Hilliard Optimist Club is now forming boys and girls teams at each of the following divisions. Season runs from March - May :

- **“Lax Minis” (1-2 grade)** - clinic based program that practices and plays on Sundays (Jersey, Helmet, Stick, shoulder pads provided. Players provide own gloves and elbow pads). - **Minis ONLY \$50 !!**
- **“Juniors” (3-4 grade)** – practice one to two times per week with games (typically double headers) on Sundays (Jersey and Helmet provided).
- **“Seniors” (5-6 grade)** – practice two to three times per week with games (typically double headers) on Sundays (Jersey and Helmet provided).

Register online at www.hilliardoptimist.org

Walk in registration at Play-It-Again Sports Hilliard - January 27, 2018 - Come is for discounted equipment, Jersey fitting, and to have all your questions answered!!

Registration Closes the beginning of February!!

New to lacrosse ??? - Lacrosse shares similarities with football, basketball, hockey, and soccer. Often termed, “The fastest game on two feet,” Lacrosse is a fast paced, explosive sport that gets everyone on the field involved in the game play. Players carry and pass a lacrosse ball using only their lacrosse stick while dodging, blocking, and trying to shoot the ball into their opponents goal.

As the fastest growing sport in the country men’s and women’s lacrosse has outpaced all other sports. Lacrosse is also an officially sanctioned OHSAA sport!
