**2019-2020**  
**Revision Date 10/01/2019**

In support of strengthening student academic achievement, **Britton Elementary** receives Title I, Part A funds and must jointly develop with, agree upon with, and distribute to parents and family members of participating children, a written parent and family engagement policy that contains information required by section 1116(b) and (c) of the “Every Student Succeeds Act” (ESSA). The policy establishes the school’s expectations for parent and family engagement and describes how the school will implement a number of specific parent and family engagement activities, and it is incorporated into the school’s plan submitted to the district.

**Britton Elementary agrees to implement the following requirements as outlined by Section 1116: n**

- Involve parents, in an organized, ongoing and timely way, in the planning, review and improvement of programs under Title I, Part A, including the planning, review and improvement of the school parent and family engagement policy and the joint development of the targeted assistance program plan.

- Provide full opportunities, to the extent practicable, for the participation of parents with limited English proficiency, parents with disabilities and parents of migratory children, including providing information and school reports required under Section 1111 of ESSA in an understandable and uniform format including alternative formats upon request and, to the extent practicable, in a language parents understand.
- Be governed by the following statutory definition of parent and family engagement and carry out programs, activities and procedures in accordance with this definition:
- Parent and family engagement means the participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring:
  - Parents play an integral role in assisting their children’s learning;
  - Parents are encouraged to be actively involved in their children’s education at school;
  - Parents are full partners in their children’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their children; and
  - Other activities are carried out, such as those described in Section 1116 of ESSA.

Britton Elementary will have an agenda that outlines their presentation and a sign-in sheet. The purpose of the meeting is to disseminate information about the Title program, specifically offered at Britton Elementary School.

- **Communications**

Britton Elementary will take the following actions to provide parents of participating children the following:

Stephanie Borlaza, principal of Britton Elementary states, *"I encourage teachers to communicate directly with parents with specific information about the child's needs and the specific home-actions that can support growth. Teachers are encouraged to make positive phone calls home, provide positive handwritten notes, as well as communicate via phone and email throughout the year."*

- **School-Parent Compact**

Britton Elementary will take the following actions to jointly develop with parents of participating children a school-parent compact that outlines how parents, the entire school staff and students will share the responsibility for improved student academic achievement and how the school and parents will build and develop a partnership to help children achieve the state's high standards.

As soon as students are assessed at Britton Elementary and a rank order student list of eligible students is created, the classroom teacher and/or the title teacher will place a call to the parents to explain how title services work. Parents will then be informed of the upcoming Title I informational meeting scheduled for **October 16, 2019**. At this meeting a school-parent compact will be distributed to parents and a short presentation will follow that outline how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. At the December 5th, 2019 Parent & Family Engagement Committee meeting, **"Reservation of Funds"** is an agenda item. Britton Elementary will, to the extent feasible and appropriate, coordinate and integrate parent and family engagement programs and activities with other federal, state, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.

- **Building Capacity of Parents**

- Britton Elementary will build the parents' capacity for strong parent and family engagement to ensure effective involvement of parents and to support a partnership among the school and the community to improve student academic achievement through the following:
  - Provide parents with a description and explanation of the curriculum in use at the school, the forms of academic assessments used to measure student progress and the achievement levels of the challenging state academic standards;
  - Provide materials and training to help parents work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parent and family engagement; and

- Provide assistance to parents of participating children, as appropriate, in understanding topics such as the following:
  - The challenging state’s academic standards;
  - The state and local academic assessments, including alternate assessments;
  - How to monitor their children’s progress; and
  - How to work with educators to improve the achievement of their children.

At “*Britton Elementary Parent Partnership Night*” (September 18, 2019) parents and family members are encouraged to sign-up for three sessions based on family “need and interest”. Title reading teachers will present beginning reading strategies and classroom teachers will present information about math and literacy instruction. At the kindergarten screening process, parents are provided information about technology. Parents in grades one through five receive technology information newsletters from both classroom and technology teachers. In addition, a special meeting is held for parents of students in third grade to learn about state testing and the Third-Grade-Reading-Guarantee.

Teachers at Britton Elementary communicate academic progress officially every twelve weeks at progress report time. Title teachers have a folder in which they send daily communication in written form to parents, which allows for parents to write back. This is a great way for teachers to keep parents informed about ongoing progress and is another way that teachers help parents understand how to work with their children at home.
