COMMITMENT TO ACCOMPLISHMENT

Evaluation of District operations is a chief responsibility of the Board and is the only means of determining whether the educational goals adopted are being achieved.

The evaluation program may include, but is not limited to, the following areas:

Academic, finance, operations & communications

Appraising the success of the instructional program is particularly important. Only through an awareness of the strengths and shortcomings of the program can the Board and Superintendent have a sound basis for making improvements. The improvements are made by the Superintendent through the implementation of policies adopted by the Board.

The Board:

1. assesses the District’s operations and achievement of goals by information gathered from the Superintendent and Treasurer;

2. evaluates the Superintendent and Treasurer according to job descriptions and Board expectations and

3. evaluates itself according to its established goals and purposes.
