2. The certificated staff will evaluate the documentation of life experiences. The life experiences must demonstrate the competencies that the Board has approved as equivalent to those attained in a classroom setting. Those may include one or more of the following:
 - A. work experience;
 - B. experience as a volunteer;

- C. completion of an academic, vocational or self-improvement course and

 4. Staff holding certificates for the subject in which credit is granted shall evaluate the applicant's performance in correspondence courses, educational travel, mentor programs and portfolio development.
 5. Each applicant's learning experiences and competencies are evaluated in terms of their equivalence to experiences and competencies attained through the regular classroom instruction. The evaluation is based on a review of the following components of the regular classroom program:
 - A. subject objectives;
 - B. instructional activities, materials and environment and
 - C. criteria and methods of assessing student performance.
 6. Coordination of this program is under the direction of the high school principal or his/her designee. The Superintendent certifies all applications for a Diploma of Adult Education and the Board grants the diploma.

For Item 1 above – A high school counselor evaluates the transcript of an applicant to determine units to be completed to fulfill the District's curriculum requirements.

For Item 2 above – The same counselor meets with the applicant. The counselor prepares an instructional plan and advises regarding courses needed and equivalency credit documentation in the form of a portfolio which is needed to complete District requirements for graduation. At least one-half and no more than six life experience units may be counted toward those needed to earn a Diploma of Adult Education.

The President and Treasurer of the Board and the Superintendent shall sign the Diploma of Adult Education. Each diploma shall bear the date of its issuance, be in such form as the Board prescribes and be paid for from the District's general fund.

Administering the graduation examination to Eligible Adults

The Board must make provisions to administer the graduation examination to any eligible adult who is scheduled to earn a diploma.

Exceptions can be made for disabled adults. The tests are to be administered twice each year according to Rule 3301-13-02 of the Administrative Code.

The graduation examination is limited to persons enrolled in an adult high school continuation program and/or to eligible persons who have earned at least one-half equivalent adult high school credit.

Although the graduation examination is to be administered to eligible adults on the same days in the same manner as prescribed for high school students, the District may administer the tests to adults in the evening.

The test is to be provided and administered at no cost to the adult student. The District administers the test and the State Board of Education provides the test and scoring.

All test security provisions included in Rule 3301-13-05 of the Administrative Code apply. Answer documents are scored and results reported according to Rule 3301-13-06 of the Administrative Code.
