

## NOTIFICATION ABOUT SEX OFFENDERS

Megan's State law requires certain offenders to register with the sheriff in accordance with law. In some circumstances the sheriff notifies the Superintendent/designee that a sex offender subject to community notification is residing, employed or attending school within the geographical region of the District.

If the Superintendent/designee receives information from the sheriff concerning a sex offender subject to community notification, the Superintendent/designee disseminates the information regarding the sex offender subject to community notification to employees whose duties include supervision of or responsibility for students. Employees who receive the information are instructed to promptly notify the Superintendent/designee if the sex offender subject to community notification is observed in the vicinity of the school. The Superintendent/designee notifies the local law enforcement agency if, in the judgment of the Superintendent/designee, the presence of the sex offender subject to community notification appears to be without a legitimate purpose or otherwise creates concern for the safety of the students.

If the Superintendent/designee receives information from the sheriff concerning a sex offender subject to community notification, the Superintendent/designee may inform parents, guardians and adult students that he/she has received notice that a sex offender subject to community notification is residing, employed or attending school within the geographical region of the District and that certain information concerning the offender is public record and is open to inspection at the office of the sheriff with whom the offender has registered.

If the Superintendent/designee receives information from the sheriff concerning a sex offender subject to community notification, he/she shall not release any other information and shall direct any inquiries to the office of the sheriff with whom the offender has registered.
