

## COMMUNITY USE OF SCHOOL PREMISES

The Board permits outside agencies to use school premises for educational and recreational purposes, public meetings, entertainments and political meetings.

The Board believes in the fullest and best use of the premises belonging to the citizens of the District. To achieve this goal, use of premises by both school and student-connected activities, as well as by community organizations and groups, shall be encouraged.

The use of buildings and premises to fulfill the educational objectives of the school shall have preference over all other requests.

### Liability

As a condition of using a facility, the user or renter accepts full responsibility for any and all personal or property liability arising from the activity. A waiver of liability is needed by the user group unless otherwise noted. Policy coverage is the responsibility of the user group

The Board has the sole authority to rent and establish charges for use of the stadium, vacant school grounds and all other premises not specifically mentioned in Board policy and administrative regulations. Applications are made through the District Building Use Facilitator.
