PARENT/CITIZEN ORGANIZATIONS

The Board recognizes and appreciates the efforts of all organizations whose objectives are to enhance the educational, extra-curricular and athletic experiences of District students.

All support organizations shall have equal access to District facilities used in fund-raising activities (i.e., concessions areas, advertising, etc.). Guidelines will determine use of District facilities, including, but not limited to, building, property, athletic facilities, buses, name, trademarks, copyrights, etc. Each organization shall abide by the policies and guidelines established for the use of District facilities and grounds.

Representatives and members of approved support organizations shall in all circumstances be treated by District employees as interested friends of the schools and as supporters of public education in the District.

Staff members are encouraged to join such organization(s) in their related area(s) of specialization or interest, but not hold the position of treasurer or handle funds belonging to the organization.

Any new support organization desiring to use the name, logo or good offices of the District must first obtain the approval of the Treasurer/designee as a prerequisite to organizing. The Board requires any authorized support organization to purchase coverage under the District’s liability insurance program at cost to the organization to protect the entity against legal claims resulting from damage or injury resulting from any act or omission.

At cost to the support organization, the District will purchase an employee dishonesty bond for officers of the organization to protect the funds in the event of a covered loss.
