

Heritage Football 2020

Hello football families, a couple of things to note as we start the 2020 football season.

Please make sure all forms are filled out on final forms. Players will not be able to practice without them.

Heritage will provide helmets, mouth guards, shoulder pads, practice and game jerseys.

Players will be responsible for black football pants with pads (Amazon, Dick's, Play it Again) and cleats.

Players will need to bring a water jug or bottle, for practice and games. We will not be sharing any water this season.

We will be passing out a calendar after the first day of practice with a game schedule.

Practice will be 8am -11am Aug. 3,4,5,6,7. Please be on time for practice and picking up the players after practice. One of the coaches will be at practice by 7:30 am to start checking them in.

Practice will be 8 am-10 am Aug. 10,11,12,13,14 (team pictures will be this week, more info to follow).

Please don't hesitate to contact us.
