

Hello again Frozen families,

As mentioned, with 60+ cast members and more than 100 costumes, we need some help. We're hoping a few of you can provide some simple costume pieces:

all BOYS in Castle staff and Townspeople

Plus Hans, King and Bishop

Black dress pants - We're hoping that some of you already have these from choir, band, family weddings etc. If you don't already have a pair, no problem. We can provide some, just not all.

Snowflake dancers

You'll be wearing white dance costumes, so you'll definitely want flesh-toned undergarments!

Hidden Folk

Please provide a pair of black pants or leggings and a black, long-sleeved shirt. We can provide a few from stock, but all.

As always, let us know if acquiring any of these items is a hardship for your family!

Seeking green fabrics

If you have old, green t-shirts, blankets, sheets, towels, etc. that you can donate, please send them to rehearsal. Thanks!

Sign Up Genius, simple sewing help

We're renting many items, but anticipate that they'll need some simple alterations, like taking in the sides of a bodice or shortening the sleeves of a jacket. If you can tackle a few of these, please add your name to the [Sign Up Genius](#), under 11/01 Costume Seamstress Help. Even if that fills up, we'll gladly accept more help!

Thanks again! We look forward to costuming this fun show.
