Student Drug, Tobacco and Alcohol Policy

A reminder to all student-athletes and the parents of all Bradley student-athletes: The Hilliard City School District has an extracurricular Student Drug, Tobacco and Alcohol Policy. This policy is in effect for all potential and current student-athletes 365 days a year, 7 days a week and 24 hours a day. We believe that students who choose to participate in interscholastic athletics should commit to a drug, alcohol and tobacco-free lifestyle and encourage our young men and women to make choices that allow them to compete at their top physical and mental capabilities. Each student-athlete will receive a copy of the current policy at the start of their season. Our athletic staff members will discuss it with each team to provide clarifications and answer questions. Parents are encouraged to go over the policy with their children and provide them with support in making the right choices. If there are any questions, please contact your head coach or the Bradley Athletic Department. Thanks.
