Senior Responsibilities and Opportunities

Senior Transcripts, Recommendation and Profile Information

Counselors will give each Senior their transcript in September so they can ascertain whether they have scheduled appropriate classes to graduate. Final responsibility for credits falls to the student and his/her parents.

In order to send a student's transcript to colleges, a signed (parent signature) transcript release form is needed. This form must be turned in to the guidance office.

Often you will need a recommendation letter to go with your college/scholarship applications. The Senior Profile will be completed in Naviance and this information can be used for this purpose.

Senior Yearbook Photos

Senior yearbook photos are your responsibility. You can make an appointment at the studio of your choosing. Your picture must be in color, vertical, in school appropriate clothing with NO props, pets, friends or artwork.

Once you receive your photos, you must submit one on the yearbook website at:
<https://sites.google.com/hilliardschools.org/bradleyyearbook/senior-pictures>

The deadline for submitting your photo on the yearbook website is, **FRIDAY, DECEMBER 10TH!!!**

It is your responsibility to check the list Miss Dyer posts to be sure she has your photo and that your name is spelled correctly.

Senior with obligations

Occasionally the school finds that there are students who have failed to return a textbook, IPAD brick and cord, library book, return a uniform to the appropriate coach, or pay academic fines/fees accrued throughout the school years. **Seniors must have all obligations paid by May 1, 2022. All checks need to be paid to the order of Hilliard Bradley High School. You will not be permitted to receive you diploma with any outstanding obligations.**

Selective Service Registration

Who: All Males

When: Within 30 days of their 18th birthday

Where: www.sss.gov

If you fail to register, you cannot qualify for federal student grants or loans for college, job training benefits, and many state and federal jobs.

Administrative Warning on “Skip Days” and Pranks

“Senior Skip Day”

Any “skip day” that Seniors often plan to take is not sanctioned by the school and will be treated as a day of truancy. As is the usual consequence for truancy, a “0” grade is given in every class missed, which may result in the lowering of the student’s grade for the quarter. The administration will also retain the right to forfeit any “special days” set aside for the senior class if these types of activities become a disruption to the school.

Senior Pranks

The idea of a “senior prank” has existed in high schools for many years. These pranks are done with humor in mind but sometimes cross the line. Senior pranks can become destructive to school and personal property and cause numerous hours of clean-up by the custodial staff. In some documented cases, these pranks were prosecuted as criminal activity. It is the expectation of the Hilliard Bradley Administration that Seniors will not involve themselves in these pranks. In doing so, it is the understanding of the student that the result can include school discipline, denial of participation in the graduation ceremony, withholding their diploma until August, and involvement of the police if the offense is criminal in nature.

Student Attendance Policy

6-DAY ABSENCE POLICY

- Achievement and attendance are highly related. As a result, attendance records become a significant factor in awarding credit to students at the close of each grading period.
- A student may receive an F or may lose privileges to in school performances and extracurricular activities if he/she accumulates more than 6 total class absences, excused or unexcused, excluding official absences, during any nine-week period.
- Students get 6 days of unexcused/excused absences per quarter per class.
- When a student accumulates 4 & 6 class absences, the parent will be notified by letter.
- *If a student misses more than 15 minutes of class, this is considered a class absence.*

HOUSE BILL 410—EVERY MINUTE MATTERS

House Bill 410 (HB410) tracks absences by minutes. A letter generates at 30 consecutive hours, 38 hours per month, 42 hours per month, 65 hours per year and 72 hours per year. An intervention may be held to help develop student success.

HOUSE BILL 66- Notification of Student Absences

House Bill 66 (HB66) was put in place to ensure parents are notified if their student was marked absent, and parents have not notified us. An automated phone call will go out to parents within the first 2 hours of their student's scheduled arrival to school if the student is marked absent by their teacher, and we have not heard from a parent. Please be sure to call or email (hbrattendance@hboe.org) before 9:00am, so we can reflect that you are aware of the absence.

Policy on Semester and Yearly Grade Averages

Although teachers are free to choose their own method for determining nine weeks' grades, **semester and yearly averages shall be determined by using the following method:**

GE % = Grade Equivalent %

- A. To determine the semester average, use the following formula:
$$50\% \times (\text{GE \%}) + 50\% \times (\text{GE\%}) = \text{Semester GE\%}$$
- B. To determine the yearly average, use the following formula:
Multiply each nine weeks' grade equivalent % by 25 % (.25)
$$25\% \times (\text{GE\%}) + 25\% \times (\text{GE\%}) + 25\% \times (\text{GE\%}) + 25\% \times (\text{GE\%}) = \text{yearly GE\%}$$
- C. If the student earned below 50% for a nine weeks grading period, the grade entered will be:
* 50% for the 1st and 3rd nine weeks
* The actual percentage for the 2nd and 4th nine weeks

Policy on Passing Year Long Courses

A student will pass a subject for the year if he or she passes both semesters. The student passes each semester earning a minimum of 60% (passing average for the semester).

A student who fails the first semester, passes the second semester, **and** has a passing average for the year, will pass for the year. A student who fails a subject the second semester may fail the subject for the entire year, regardless of the first semester grades.

Policy on Passing Semester Courses

A student will pass a one semester course if he or she has earned a minimum of 60% passing average for the semester.

SAT (Scholastic Aptitude Test) and ACT (American College Testing Program)

Colleges, universities and scholarship programs, as part of their admission, placement, selections, etc. process, will require candidates to submit scores directly from the SAT and/or from the ACT. While many institutions, agencies and programs will accept either instrument (ACT or SAT), it is incumbent upon students and their parents to be familiar with the testing requirements of the institutions, agencies, and programs of their choice. Most college bound Seniors should have taken the SAT and/or ACT during the second semester of their Junior year, and early enough during their Senior year (if needed) to meet college, scholarship, agency, etc., deadlines. Students may take the ACT and/or SAT as many times as needed.

Registering and Preparing: You can register for either test on the internet (**SAT at sat.org/register; ACT at actstudent.org**). You are responsible for registering, making payment and picking out when and where you are going to take the test.

(For more information about SAT/ACT testing see College Planning in the Program of Studies Book on the Hilliard Bradley Website)

College Representatives Visiting Hilliard Bradley High School

In the fall, representatives from colleges and universities will make recruiting visits to Bradley. The purpose of these visits is to inform students of available program offerings and to better acquaint students with specific application procedures. Seniors may visit with 5 representatives and Juniors with 3 representatives. Parents are welcome to attend the sessions. Please call in advance to verify the schedule.

If you wish to meet with any of the schools that visit, please follow these procedures:

- From the Colleges Home Page, students can scroll to College Visits, click on the name of the school and click the "Register" button to secure a seat. You must attend the visits you sign up for.
- You will be issued a pass the morning of the visit. This pass will list the date, name of the college and the time the representative will be here. Most college rep visits are in the guidance office unless otherwise indicated on the pass.
- You are responsible for any missed work in your classes.

College Campus Visits

Seniors and Juniors are permitted up to 3 official absences during the school year to visit a college/ university. Sophomores and Freshmen must have prior approval from the college counselor to take a school recognized college visit. Seniors will not be granted an official absence for a college visit after May 1st.

Upon return to school, the student must provide the attendance office with verification of the visit. A note must be presented stating the student's name and date of visit on college letterhead, signed by a college official.

How to Find Knowledge and Skills info:

Careers Tab -- Explore Careers and Clusters--- then choose from drop down menu or search by name.

For those interested in the military

Have you contacted a recruiter? Scheduled your ASVAB (at Tolles or a recruitment office) View these resources through the US Armed Forces Link on the Welcome Page. We also have brochures in the guidance office.

For those headed to college

A. Follow the directions in the “Common App Video” on the Welcome Page. Match Common App, if necessary.

B. Do your schools require a letter of recommendation? If so, follow these steps:

1. Ask your teachers **in person** before inviting them through Naviance.
2. Request letters through Naviance, do NOT request them through Common App!
